

# Poll Report

**On average, how many vehicles do you personally service every day?**

**How many days per week is your repair shop open for business?**

## Summary

According to the above poll, the average iATN member works on 4.783 vehicles per day. Collectively, the 41,986 members of iATN service over 200,819 vehicles per day, and perform well over 52.2 million vehicle servicings annually.

## Methodology

iATN received 3,078 responses to this online poll that sought to determine the number of vehicles iATN members personally service every day. To determine the average, iATN used the above data, as well as data obtained from a subsequent iATN online poll (see information on right) that identified the average iATN member is open for business 5.45 days per week.

## Summary

According to the above poll, the average iATN member is open for business 5.45 days per week.

## Methodology

iATN received 2,737 responses to this online poll that sought to determine how many days per week the average iATN member is open for business. To determine the average, iATN used the above data.

## About iATN Polls

iATN regularly conducts online polls on its web site, [www.iatn.net](http://www.iatn.net). For more information, visit the iATN web site or call (877) 550-4286.
